Gabriel Birkenmeyer (He/Him)

Pleasantville, NY 10570 | gabrielprado242@gmail.com | 845 329 3003 |Linkedin

PROFILE

Game Development student focused on level design and adventure games, building and preparing to release a mobile game in Unity. Bilingual in English and Portuguese, with 6+ years of technical support and client-facing experience.

CORE COMPETENCIES

Technical Support & Troubleshooting | Customer Relationship Management (CRM) | Conflict Resolution | On-site Client Training | Multi-channel Communication| Data Integrity & Entry

EDUCATION

Pace University — Pleasantville, NY
Game Development (BS) | **GPA**: 3.67 — December 2027

GAME PROJECTS

POPz: Pop Music Party Game
Brado Games (Independent Studio) | Unity | iOS — October 2026 – Present

- Designing and developing a mobile party game for iPhone built around pop music trivia and group challenges.
- Structured content into four selectable eras (90s, 2000s, 2010s, 2020s) to give players replay variety.
- Built the full game flow in Unity: player setup, era-selection menu, and main gameplay scene.
- Founded the Brado Games label and preparing the game for App Store release.

PROFESSIONAL EXPERIENCE

Ameriparts — Americana, SP, Brazil
Data Entry Specialist — August 2018 – December 2019
